Saw prisance one or two o. clock Monday morning; that morning the tog Cliff Read Trunk Depot. Saw prisance one or two o. clock Monday morning; that morning the tog from Tyler; Tyler's head at the time was two or three feet above the Captain; was standing four or five feet from the Captain; when he was shot he fell immediately; had not moved from the place where I was standing when he was shot; when he fell he never spoke, after he was shot we took him into the cabin, and afterwards put him on board the tug, and took him to Port Huron; there was a wound on his left temple, covered with blood; it was a pleasant night; neither very dark nor very light; at that I heard Tyler say before the Captain was shot was, that he was a United States officer; at the time of the shooting the two vessels were in was not was, that he was a United States officer, at the time of the shooting the two vessels were in no way fastened together, after the shooting Tyler jumped on board the Concord and says you are a dead man, and who is the next, and pointed a pistoi at my breast, and afterwards waked forward and said something to Kenneth, McDonald and Peter Melee, about resistance, which I could not un derstand. McDonald and Melee were hands on board the vessel.

on at my oreast, and atterwards walked forward and said something to Kenneth, McDonald and Peter Melee, about resistance, which I could not un derstand. McDonald and Melee were hands on hoard the vessel.

When Mr. Tyler was on the rail he did not say saything about having any process; there was nothing said about a process at all; he simply said.

From Forest and PASES.

From Garcy—we have Ecameled WATCHEN JEWELL RY, and Work of Art more beautial than a Tork's dream of Paradise. When Mr. Tyler was on the rail he did not say anything about having any process; there was nothing said about a process at all; he simply said he was a United States officer; the Captain had the axe in his hand the whole of the time; did nothing with it first, saw it in his hand just before the tag came alongside; he then took it when he saw her coming; can't say whether from the deck or from the second mate's hand; when the tag was coming alongside he said he was going to cut the lines if they put any board; they put no lines on board, nor did they try to do so before the Captain was shot. Mr. Tyler didn't stand on the rail over a minuto.—

The Captain held the axe by his side. I was looking at the parties all the time—think that it was not moonight. I, the second mate, and the passenger, were all that were standing by; we had nothing lin our hands. I didn't see the Captain with the axe ralsed, although I could see it as distinctly as the resolver. I saw it distinctly in the Captain's hand with the head downwards. When Tyler boarded us the Captain didn't know who was coming on board, and when he pointed the pistol at me he was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. All that I said to Tyler was about four feel from me. # BY TELEGRAPH.

Reported by the Union Telegraph, OFFICE, WARING'S BLOCK, CORNER OF BANK AND ST. CLAIR STREETS.

NEW YORK, Dec. 15. The steamship Philadelphia has arrived with Havana dates to the Stls. Six or seven persons had been arrested charged

with conspiracy against the life of the Captain

The Spanish frigate Petronell arrived from Cudiz on the 1st with 300 soldiers. Sugars held very stiff 92 @10 reals per arrobe for No. 12. Molasses without operations.

Preights to the United States improving and noted at 9500\$1,00 per lox. To Europe nothing York 3:33 premium:

A dispatch from Washington says the Spanish Minister has received no intelligence of the rumored declaration of war by Spain against Mexico.

The President's foreign appointments have all been reported on favorably by the Commissioners.

FROM WASHINGTON

Washington, Dec. 14. The Tribune's correspondence says—"It is ru-mored that the President would send to Congress this morning a warlike message on Central Amer-

ican affairs. "The Presidents foreign appointments have been reported on favorably by the Committee to which they were referred. An executive session will be held to-morrow for their confirmation."

The Times' correspondence says.—The House Committee on Territories met yesterday. Mr.

Stephen's of Ga., asked for authority to report the bill for the admission of Oregon. It is epposed by the Republicans, who say they are unwilling to admit Oregon with a population of only 49,000, while Kansas is refused admission with a populaion of 90,000.

The vote stood four in favor and four against re-

porting, so the motion was lost.

The House Committee on Foreign Relations has agreed unanimously to report a resolution of inquiry relative to a visit of British efficers of the Valorous to the steamer Washington.

The Military Committee of the House will refuse a report the bill for the increase of the army. The Judiciary Committee will shortly report a bill amending the neutrality laws, and removing hindrances to commerce. Gen. Jerez fours that his correspondence has

been intercepted on the Isthmus. He is confident of having received a ratified treaty in time to have it sent to the Senate. He regrets the course of the English in Nicaraguan matters.

Capt Tarragut has received preparatory order to take command of the new sloop of war Brook

N. H. ELECTION.

MANCHESTER, Dec. 1s. At the Municipal election to-day, Mr. E. W. Harrington, democrat, was elected Mayor, receiving 1099 votes against 1085 for Mr. Alonzo Smith, Republican.

CONGRESSIONAL.

Washington, Dec. 15. HOUSE.

Mr. Comins, Mass., gave notice of intention to introduce a bill to modify the tariff law and impose specific deties on iron and other articles on which that principle can be applied.

Mr. Bowle of Md., introduced a joint resolution with a view to obtain a modification and reduction of the luties on American tobacco by foreigh governments, which was referred to the Cor

on Agriculture.

The consideration of the Watrous impeachment Mr. Stephens, of Georgis, said this was the first time an attempt had been made to impeach a federal officer for corruption, a fact which could not be applied to any other country. The impeachment must be not or ly for an offence but for a high crime or misdemenor, and the House a high crime or misdemennor, and the House must first determine the offence according to the principles of the common law. It it be true, as the Spencer memorial says, that Judge Watrous

became secretly and fraudulently interested in a land claim, for the purpose of litigation in his own court, it must be corruption, and the charge should be forthwith investigated by the Senate. BENATE. Various memorials of little importance were

After an ineffectual attempt to take up the Pa-ile Rail ead bill, the vote being 24 in faver and 24 against, the Senate went into Executive Ses

FROM THE WEST.

LEAVENWORTH, Dec. 15. The Times has advices from Kansas mines to the times has advices from hansas mines to the 8th inst. Mining operations generally sus-pended. The number of persons at the mines ready to commence operations in the Spring is estimated at one thousand. Hemmingway & Co., bankers of this city, yes-

terday made shipment of dust to New York.

The New Mexican Mail dates to the 22d, reached independence on the 12th. There is no news from Fort Defiance.

Mr. Yost, editorial correspondent of the Santa

Fe Gazette, says.—The Navajoe war will not be closed this winter, and probably not for yews that if the work of desolation continues the Indians cannot fail to be thrown back ten years in the

march of civilization.

Maj. Wells reports that the outgoing mail party from Albuquerque to Neesbo has been massacred by Camanches on the Plains.

Nothing has been heard of mail party that left Neesbo for Albuquerque on the 15th of October.

LAST NIGHT'S REPORT.

CONGRESSIONAL. WASHINGTON, Dec. 15. HOUSE.

Messrs. Craig, of N. C.; Wilson, of Va., and Reagan, of Ky., interposing made explanations which, however, did not satisfy Mr. Stephens, who in the course of his remarks had said if Judge Watrous made errors in his rulings, it could have been corrected by an appeal to the Supreme Court.

Mr. Houston, of Ala., said that the resolution hardeness expected from a particular of the Mr. Houston, of Ala., said that the resolution heretofore reported from a portion of the Committee on the Judiciary that Judge Watrons ought to be impeached for high crimes and misdemeanors, did not pass upon the guilt or innocence of the accused, that was for the Senate, the only competent Court, to decide. He argued that an offense must necessarily be such as is indictable at law crorder impeachment and in support of his argument cited a case of Judge Pickering, who was dismissed from office; one of the charges against him being drunkenness on the beach. The resolution pending was in favor of impeachment, for which the House by 111 against 92 adopted. The substitute that the testimony taken before the Judiciary Committee in the case of Judge Watrous is insufficient to justify the preferring of articles of impeachment against him for high crimes and misdemeanors. The House agreed to the resolution as thus amended by 113 against 36.

Mr. Boyce, of S. C., called up the report made from the Committee on Elections last session, stating that it appears there were such tumults, riots, interior the call of the resident in the case is the 24 cited to the resolution to the call of th

for the Committee on Elections hat session, sta-ting that it appears there were such tumulta, riots, intimidations and injustice in the 3d Congressional District of Baltimore in Nov., 1857, that there-could not be a fair election, and that it shall there-fore be declared null and void, and that the Speak-er be requested to notify the Governor of Mary-land of the act. Mr. Boyce offered a resolution ad-mitting Mr. White, who contests the right of Mr. Harris, to a seat on the floor of the House, during the discussion of the subject with the right to speak.

Pending the consideration of the subject the House adjourned. SENATE. Mr. Cameron sees no remedy but a specific duty

An ad valorem duty of 30 per cent, on the New York market for the past 5 years gives 996 dollars. Iron masters will be content with a Specific duty of \$9 per ton on pig iron, and \$12 per ton on bar iron. on. He demonstrated his position from elaborate ria-

FROM NEW YORK.

NEW YORK, Dec. 15. General Scott sailed this afternoon in the steam er Marion for Charleston, on a southern tour of inspection. A large number of triends accompa-nied him to the boat, and the occasion was sig-nalized by the firing of a salute of one hundred

YESTERDAY AFTERNOON'S REPORT | guns. The Washington correspondent of the Commer The Washington correspondent of the Commercial Advertiser says that Capt. McIntosh has written to the Department that the British vessels of war did not visit the Washington on account of any pretension to the right of search, but on the ground of the duties of Great Britain under her protectorality of the Mosquito coast, and also in virtue of her engagements with Nicaragua for the enforcement of her police.

The emigrants on board the Susan, from Mobile will receive a similar visitation, and if our own naval force should, in defiance of positive orders, suffer them to land, they will be followed by British forces into the interior. Lord Napier has avowed this as the purpose of his Government and its officers at Greytown.

The Agent of the steamer Washington has an

PORTLAND, ME., Dec. 13. The Union telegraph line recently opened between this city and Boston, and which was announced as the commencement of an opposition fine to Halifax, was perenturily closed to day by an injunction from the U. S. Court, for a glaring infringement of the rights of the Maine Telegraph Company. Company.

FROM BOSTON. Boston, Dec. 15 The R. M. S. S. Europa, Capt Leech, sailed at about 1 1-2 o'clock to day, with 59 passengers for Liverpool, and 15 for Halifax, and about \$80,000 in The manufacture of 1000 tons of pig iron employs 70 men, or with families 350 persons, earning nually 71,000 dollars.

PROF WOODS HAIR RESTORATIVE —Styps the St. Louis (Mo.) Democrat! Below
we publish a letter to Dr. Wood, of this siry, from a genteman in Manne, which spenks (sowning) of the superior
worsts of his Hint Tonic. South evidence must have its elfect, when coming from a reliabile course. If certificate
fort, when coming from a reliabile course if I certificate
sire genrantees or truth, the Dr. seeds no smoontime nor
useless pullery from the press;

PROF. G. J. WOOD & Co.—Gertile must. Having my attention called, a f. w moralis since, to the highly beneficial
fearls of your Hair Residentive, I was induced to make
sinclication of it upon my own hair, wheth had become
quite gran, probably me third, while; my whates reside same character. Some thrue months since, I procured
a bottle of your Hair Residentive, and need it I soon
found that it was proving what I had wished. I used it
shoult wince a week. I have since presented ansactor- bodtle, of which I have used sinns. I can now certify to the
world that the gray or white hart has totally dissupensed,
which on my head and face, and my hair has resulted at has
been before for twenty-five heart and glampy than it has
been before for twenty-five heart of fitty-dwo, has next yours
old; my good wife, at the age of fitty-dwo, has med it with
the same effects.

The above mother I deem due to you for your valuables he same effect.
The above notive I deem due to you for your valuable incovery. I am essured that wheever will rightly use it as new directions, will not have occasion to contradict my tatements. I am a citizen of this city, and have been a vident here for the last fiften years, and have been a script growty use here and in adjoining towns. Any may you make of the above, with my using attached, is at your series, at wish to preserve the beauties of nature in others well as myself is well as more of

I am tru'y yours, A. C. BAYMOND. BALTIMORE, January 22, 1854 WOOL'S HARR RESTORATIVE.

WOOD-Dear Sit: Having had the inteleption to set the best portion of my hur; Junui interested this year where in New Oriesnes in 1864. I was induced to make trial of your pre-paration, and found it to make a risk line of the pre-paration, and found it to make trial of your pre-paration, and found it to make a risk line of the pre-paration of the paration of the pre-paration of the pre-paration of the pre-paration of the paration of the para

The undersigned Rev. J. K. Bragg, is a emission in requ-lar standing, and poster of the Ortholox. Church in Brook, fold, Mass. He is a gentleman of great indiscore, and surversally beloved; W.M. DYER. miversally belowed:

BROOKFIRLD, Jonuary II, 1864.
PROF. WOOD—Durf Sir: Hiering made titled by your Hall Centerative, it gives my pleasure to say that six effect is seen excellent in seminoring inflammation, feasibility, and seen excellent my childhood, which as shore: and my hair which was becoming gray, to thoriginal code.

I have use to other article with anything like the age of pleasure of root.

Yours truly.

K. BRAGG.

DR. MANN'S

AGUE BALSAM? BECAUSE IT WILL, in all cases, DULICONS AL TYLLING AN ARCHITECTURE CONTROL OF CONTROL

Princeton, Ill., Sept. 20th, 1853. DR MANN-Dear Sir: For several years past I have used your AGUE BALSAM to my daily practice, and have closely observed its effects in hundreds of cases, and in no case has it failed to produce the most happy effect. I can most cheerfully recommend it us a certain specific for

case has it raised to produces the most happy effect. I can most cheerfully recommend it in a so certain specific for Chills, Fever and Ague, and Malarison Diseases.

Truly Yours, H. AUSTIN, M. D. Marshall, Mich., Feb. 11th, 1897.

Dr. Mann & Co.—I have sold a large amount of your AGUE BALSAM in this vininity, and from my personal knowledge of it, the lave at the best remedy for Chills, Pever and Ague that has seer been sold in our State.

Happerfully Yours. G. A. HYDE,

Ashtabula, Once, Jan ist, 1862.

Minesan S. K. Mann & Co.—Gesta: In carvassing th States of Chic and Michigan for the sale of the different remedies of which we have control our attention has been raised to observe the great name that your AGUE BALSAM has gained for itself in every place where sold it really seems to be The Propial's own Remain, and ils asks more rapid than all others. It is centized to supersode all other stric remedies in the market.

Very Truly Yours.

New York, Feb. 23, 1888.

New York, Feb. 22, 1888. Messas S. K. Mann & Co.—Gents I have, at our house in St. Louis, sold your AGGE BALSAM three years, and have carefully observed its effects in CUEINO, and must, in all crader, are, I do not believe its equal cracion all the world of medicines. To use personal showledge, it has cured permanently every time, and I have known it used after other remedies had been tried in vain, with the most happy result. And what is more sumanxiaght, it have never known a case but what remained curted, for at least that season. I have no hexistime in recommending it as a perfect trumph over Chillward Fever.

Respectivity Youts.
